

## RUN EVERYWHERE: YOUR FOOTPRINT

### Run Everywhere: BH - MO = 0

1. Is your state representative a champion of democracy? YES/NO
2. If NO, does he/she have an opponent? YES/NO
3. If NO, who in your footprint can run?
4. How can you help that candidate?

### Run Everywhere: Infrastructure

- 1) Can you and elements of your footprint help build infrastructure that:
  - A) supports candidates running in your state (ie. Blue Ohio model)
  - B) supports candidates running elsewhere (ie. "J's model," others)
- 2) Can you help scale up other elements of the "run everywhere" infrastructure?
